

Western Chapter ISA

Gold Leaf Award Nomination

WCISA is seeking Gold Leaf Award nominations for local agencies, nonprofits, neighborhood groups and individuals who conduct outstanding Arbor Day activities and landscape beautification projects. We are also looking for urban forestry projects that have significant social, economic and / or environmental benefits to the local community.

Many groups, individuals and agencies deserve recognition for their efforts to enhance the urban forest environment through a variety of public outreach programs that emphasize education, volunteerism and tree planting. We especially need nominations from Hawaii, Arizona, Nevada and California. Copy this nomination form for submission.
